Clinical Information (required)

Your patient's pharmacy benefit program is administered by UnitedHealthcare, which uses OptumRx for certain pharmacy benefit services. Your patient's benefit plan requires that we review certain requests for coverage with the prescribing physician. This includes requests for benefit coverage beyond plan specifications. Please complete the following questions and then fax this form to the toll free number listed below. Upon receipt of the completed form, prescription benefit coverage will be determined based on the benefit plan's rules.
