Quantity limit requests:

What is the quantity requested per DAY? N/A, medication administered biweekly

What is the reason for exceeding the plan limitations?

- ☐ Titration or loading-dose purposes
- ☐ Patient is on a dose-alternating schedule (e.g., one tablet in the morning and two tablets at night, one to two tablets at bedtime)
- ☐ Requested strength/dose is not commercially available
- ☐ There is a medically necessary justification why the patient cannot use a higher commercially available strength to achieve the same dosage and remain within the same dosing frequency. **Please specify:** _____
- ☐ Patient requires a greater quantity for the treatment of a larger surface area **[Topical applications only]**
- ☐ Other: _____

Note: If the patient exceeds the maximum FDA approved dosing of 4 grams of acetaminophen per day because he/she needs extra medication due to reasons such as going on a vacation, replacement for a stolen medication, provider changed to another medication that has acetaminophen, or provider changed the dosing of the medication that resulted in acetaminophen exceeding 4 grams per day, **please have the patient's pharmacy contact the OptumRx Pharmacy Helpdesk at (800) 788-7871 at the time they are filling the prescription for a one-time override.**

Are there any other comments, diagnoses, symptoms, medications tried or failed, and/or any other information the physician feels is important to this review?

Plases see attached physician clinic note regarding medical necessity

Please note:

This request may be denied unless all required information is received.
If the patient is not able to meet the above standard prior authorization requirements, please call 1-800-711-4555.
For urgent or expedited requests please call 1-800-711-4555.
This form may be used for non-urgent requests and faxed to 1-844-403-1028.
